The undersigned shows to the court that the defendant has violated conditions of release in the following manner:

**Nature of Violation**

On May 20, 2022, the defendant failed to complete her enrollment in substance abuse treatment at River Edge Behavior Health located in Macon, Georgia. The defendant had over four (4) months to enroll in substance abuse treatment and has failed to enroll as instructed. On March 15, 2022, the defendant reported for pretrial intake and signed the pretrial release reporting instructions indicating that she understood that she had to report by telephone on the first day of each month while on pretrial supervision. Tiara Thomas' whereabouts are currently unknown.

WHEREFORE, it is prayed that **the Clerk issue a Bench Warrant for the arrest of the defendant to bring her before the Court to answer these allegations**, and that the Court inquire into the allegations hereinabove set forth to determine whether the Order of Release ought to be **revoked**.

I declare under penalty of perjury that the foregoing is true and correct, this 11<sup>th</sup> day of October, 2022.
